MyCVT Online Member Enrollment

Quick steps to apply for insurance coverage

MyCVT is a web-based site where you can enroll as a new member of California's Valued Trust (CVT), choose a plan from several options that have been selected by your district or unit and make changes to your plan such as adding dependents or a change of address.

Before you can enroll online, you must first create your account.

Getting started

- 1. To access the site directly from your browser, type: https://mycvt.cvtrust.org.
- 2. You may also access the portal from www.cvtrust.org. Click on the MyCVT logo in the upper, right-hand corner of the page to open up the main portal page.
- 3. You will need the following information to create your account:
 - Unique email address (you cannot use a shared or group email)
 - Social Security number (do not use dashes in the form)
 - Your district name and classification
 - Password (six-digits minimum)
 - Date of Birth

Creating your account

- 1. From the MyCVT portal page, select "Create new account." Complete the requested information and submit.
- 2. Verify your date of birth.
- 3. A registration link will be sent to the unique email you submitted.
- 4. **Click on the link in the email** to complete the registration process.

New member enrollment

- 1. Login to your MyCVT account at https://mycvt.cvtrust.org.
- 2. Click the "Apply for Insurance Coverage" link
- 3. Complete the personal information section, choose "Next" to save and continue.

Add dependents

- 1. You can add or remove dependents. Add dependents by clicking on the blue "Add Dependent" button. Click the "Terminate" button next to any dependent you wish to remove form coverage.
- 2. If adding a dependent, enter all the required dependent information and click "Save" after each dependent has been added.
- 3. If you need to change any information, the forms can be opened again and edited by clicking the blue link of the dependent's name you want to update on the "Dependent Information" page. Always save every edit.

Choose your plan

1. The next step is to select your plans from the plan choice page. The plan selection will include those bargained benefits available to your unit.

- 2. Click "Show Plans" next to the coverage types (Health, Dental, Vision, Life) to see a grid of drop down menus that contain the plans available to you. You can compare up to four different plans by clicking the drop down menus and selecting the plans you want to compare. Once you have decided which plan you are going to choose, click the blue "Select this plan" button above the drop down menu to select that plan for that coverage. If you are unsure about which plans to choose, consult your district office for a summary of plans and the options/costs. You can also call CVT Member Services for assistance.
- 3. If your district does not offer plans for a particular coverage type, the words "No plans available" will appear next to that coverage type.
- 4. Once you have completed selecting your plans for all of the available coverage types, click "I'm Ready to Review My Application" to continue.

Submit your completed enrollment

- 1. If you have completed all the information and are ready to submit your forms, click the "I'm Ready to Review My Application" button located in the lower left side of the "Plans" page.
- 2. The Review page gives a summary of the plans selected and displays any dependents you have added. Click on the blue "Submit" button to submit your application.
- 3. Once your application has been submitted, any documents that are required will be listed. If you have the documents in a digital version available to upload, use the "Browse" and "Upload" buttons to upload the documents. When the document has been successfully uploaded, that document section will appear as green.
- 4. If you do not have the documents available at that time, you can login at a later time to upload them. There will be a count of documents required in the submitted enrollment section when you login.
- 5. You can print your enrollment form for your records by clicking the "Print your enrollment button" located on the bottom portion of the page.
- 6. Your submitted application and documents will be reviewed by your district and then submitted to CVT for review and approval.

What are my Delta Dental Network options?

The Delta Dental PPO plan allows you the option to visit any licensed dentist. You will usually save more on your out-of-pocket costs when you visit a **Delta Dental PPO** dentist. The **Delta Dental Premier** network also provides cost-saving features and is the next best option when you can't find a PPO dentist. Non-Delta Dental (Out of Network) dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit a non-Delta Dental dentist. You are responsible for the difference between what Delta Dental pays and the dentist's fee.

How do I find a Delta Dental dentist?

To locate a Delta Dental dentist near you, check the dentist directory on the Delta Dental website (deltadentalins.com), which also provides a map to the dental office. Or, to hear or receive a faxed listing of dentists in your area, call 866-499-3001. Follow the automated instructions to search for a dentist.

How does my Delta Dental incentive plan work?

Your dental benefit incentive plan is designed to encourage regular visits to the dentist to keep your teeth and gums healthy. Here is an example of how an incentive plan works. (This is the most common incentive plan. Check your benefits information for details of your particular incentive plan.)
