

Ergonomic evaluations can be requested and provided through RESIG. This service is free to our member districts (fees may apply for non-member districts). Complete the request form below and either fax or email the form to:

Fax: 707 836 9479

Email: [kcook@resig.org](mailto:kcook@resig.org)

Our Ergonomic Advisor will contact you to schedule the evaluation.

The ergonomic evaluation process can take approximately one hour (depending on complexity). A full written report with any recommended items will be generated and provided to your district's HR department and to your supervisor. Recommended items are paid for through your school district.
