

EMPLOYEE USE OF TECHNOLOGY

The Board of Trustees recognizes that technological resources can enhance employee performance by offering effective tools to assist in providing a quality instructional program, facilitating communications with parents/guardians, students, and the community, supporting district and school operations, and improving access to and exchange of information. The Board expects all employees to learn to use the available technological resources that will assist them in the performance of their job responsibilities. As needed, employees shall receive professional development in the appropriate use of these resources.

(cf. 0440 - District Technology Plan)
(cf. 1113 - District and School Web Sites)
(cf. 4032 - Reasonable Accommodation)
(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)
(cf. 6163.4 - Student Use of Technology)

Employees shall be responsible for the appropriate use of technology and shall use the district's technological resources primarily for purposes related to their employment.

(cf. 4119.25/4219.25/4319.25 - Political Activities of Employees)

Employees shall be notified that computer files and electronic communications, including email and voice mail, are not private. Technological resources shall not be used to transmit confidential information about students, employees, or district operations without authority.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)
(cf. 5125.1 - Release of Directory Information)

Online/Internet Services

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that prevents access to visual depictions that are obscene or child pornography and that the operation of such measures is enforced. The Superintendent or designee may disable the technology protection measure during use by an adult to enable access for bona fide research or other lawful purpose. (20 USC 6777; 47 USC 254)

To ensure proper use, the Superintendent or designee may monitor employee usage of technological resources, including the accessing of email and stored files. Monitoring may occur at any time without advance notice or consent. When passwords are used, they must be known to the Superintendent or designee so that he/she may have system access.

The Superintendent or designee shall establish administrative regulations and an Acceptable Use Agreement which outline employee obligations and responsibilities related to the use of

district technology. He/she also may establish guidelines and limits on the use of technological resources. Inappropriate use may result in a cancellation of the employee's user privileges, disciplinary action, and/or legal action in accordance with law, Board policy, and administrative regulation.

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The Superintendent or designee shall provide copies of related policies, regulations, and guidelines to all employees who use the district's technological resources. Employees shall be required to acknowledge in writing that they have read and understood the district's Acceptable Use Agreement.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Use of Cellular Phone or Mobile Communications Device

An employee shall not use a cellular phone or other mobile communications device for personal business while on duty, except in emergency situations and/or during scheduled work breaks.

Any employee that uses a cell phone or mobile communications device in violation of law, Board policy, or administrative regulation shall be subject to discipline and may be referred to law enforcement officials as appropriate.

Online/Internet Services: User Obligations and Responsibilities

Employees are authorized to use district equipment to access the Internet or other online services in accordance with Board policy, the district's Acceptable Use Agreement, and the user obligations and responsibilities specified below.

1. The employee in whose name an online services account is issued is responsible for its proper use at all times. Employees shall keep account information, home addresses, and telephone numbers private. They shall use the system only under the account number to which they have been assigned.
2. Employees shall use the system safely, responsibly, and primarily for work-related purposes.
3. Employees shall not access, post, submit, publish, or display harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race, ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4031 - Complaints Concerning Discrimination in Employment)

(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

4. Employees shall not use the system to promote unethical practices or any activity prohibited by law, Board policy, or administrative regulations.

(cf. 4119.25/4219.25/4319.25 - Political Activities of Employees)

5. Employees shall not use the system to engage in commercial or other for-profit activities without permission of the Superintendent or designee.
6. Copyrighted material shall be posted online only in accordance with applicable copyright laws.

(cf. 6162.6 - Use of Copyrighted Materials)

7. Employees shall not attempt to interfere with other users' ability to send or receive email, nor shall they attempt to read, delete, copy, modify, or forge other users' email.
8. Employees shall not develop any classroom or work-related web sites, blogs, forums, or similar online communications representing the district or using district equipment

or resources without permission of the Superintendent or designee. Such sites shall be subject to rules and guidelines established for district online publishing activities including, but not limited to, copyright laws, privacy rights, and prohibitions against obscene, libelous, and slanderous content. Because of the unfiltered nature of blogs, any such site shall include a disclaimer that the district is not responsible for the content of the messages. The district retains the right to delete material on any such online communications.

(cf. 1113 - District and School Web Sites)

9. Users shall report any security problem or misuse of the services to the Superintendent or designee.
