Deferred Net Pay

Wright Elementary School District offers you the option of having a portion of your net pay set aside monthly to arrange for the summer months. With the DNP program, a percentage of your net pay is deducted every month through the month of May/June depending on your pay cycle. The amount withheld is paid out on June 30th.

To participate in the DNP program, just return this form to the District Business office.

DNP deductions must be started with the first payroll of the school year and cannot be revoked until the beginning of the next school year.

If you have any questions, please contact Renee Houbart at (707) 542-0550, ext. 104 or by email at payroll@wrightesd.org.
