

**Assembly Bill No. 1767**

**CHAPTER 694**

An act to amend Section 215 of the Education Code, relating to pupil health.

[Approved by Governor October 9, 2019. Filed with Secretary of State October 9, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1767, Ramos. Pupil suicide prevention policies.

Existing law requires the governing board or body of a local educational agency that serves pupils in grades 7 to 12, inclusive, to adopt a policy on pupil suicide prevention that specifically addresses the needs of high-risk groups.

This bill would require the governing board or body of a local educational agency that serves pupils in kindergarten and grades 1 to 6, inclusive, to, before the beginning of the 2020–21 school year, adopt, and update as prescribed, a policy on pupil suicide prevention that specifically addresses the needs of high-risk groups. The bill would require this policy to be age appropriate and delivered and discussed in a manner that is sensitive to the needs of young pupils. The bill would also require this policy to be written to ensure proper coordination and consultation with the county mental health plan for a referral for mental health or related services made on behalf of a pupil who is a Medi-Cal beneficiary. The bill would require the policy to address any training on suicide awareness and prevention to be provided to teachers of pupils in all of the grades served by the local educational agency. By imposing additional duties on local educational agencies, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

*The people of the State of California do enact as follows:*

SECTION 1. Section 215 of the Education Code is amended to read:

215. (a) (1) The governing board or body of a local educational agency that serves pupils in grades 7 to 12, inclusive, shall, before the beginning of the 2017–18 school year, adopt, at a regularly scheduled meeting, a policy

on pupil suicide prevention in grades 7 to 12, inclusive. The policy shall be developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts and shall, at a minimum, address procedures relating to suicide prevention, intervention, and postvention.

(2) (A) The governing board or body of a local educational agency that serves pupils in kindergarten and grades 1 to 6, inclusive, shall, before the beginning of the 2020–21 school year, adopt, at a regularly scheduled meeting, a policy on pupil suicide prevention in kindergarten and grades 1 to 6, inclusive. The policy shall be developed in consultation with school and community stakeholders, the county mental health plan, school-employed mental health professionals, and suicide prevention experts and shall, at a minimum, address procedures relating to suicide prevention, intervention, and postvention.

(B) The policy for pupils in kindergarten and grades 1 to 6, inclusive, shall be age appropriate and shall be delivered and discussed in a manner that is sensitive to the needs of young pupils.

(C) The policy for pupils in kindergarten and grades 1 to 6, inclusive, shall be written to ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a pupil who is a Medi-Cal beneficiary.

(3) The policy shall specifically address the needs of high-risk groups, including, but not limited to, all of the following:

(A) Youth bereaved by suicide.

(B) Youth with disabilities, mental illness, or substance use disorders.

(C) Youth experiencing homelessness or in out-of-home settings, such as foster care.

(D) Lesbian, gay, bisexual, transgender, or questioning youth.

(4) (A) The policy shall also address any training on suicide awareness and prevention to be provided to teachers of pupils in all of the grades served by the local educational agency.

(B) Materials approved by a local educational agency for training shall include how to identify appropriate mental health services, both at the schoolsite and within the larger community, and when and how to refer youth and their families to those services.

(C) Materials approved for training may also include programs that can be completed through self-review of suitable suicide prevention materials.

(5) The policy shall be written to ensure that a school employee acts only within the authorization and scope of the employee's credential or license. Nothing in this section shall be construed as authorizing or encouraging a school employee to diagnose or treat mental illness unless the employee is specifically licensed and employed to do so.

(6) To assist local educational agencies in developing policies for pupil suicide prevention, the department shall develop and maintain a model policy in accordance with this section to serve as a guide for local educational agencies.

(b) The governing board or body of a local educational agency that serves pupils in kindergarten and grades 1 to 12, inclusive, shall review, at minimum every fifth year, its policy on pupil suicide prevention and, if necessary, update its policy.

(c) Nothing in this section shall prevent the governing board or body of a local educational agency from reviewing or updating its policy on pupil suicide prevention more frequently than every fifth year.

(d) For purposes of this section, “local educational agency” means a county office of education, school district, state special school, or charter school.

SEC. 2. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
