School Description

Wright Charter School (WCS) is the original of three K-6 elementary schools in the Wright School District. WCS was founded in 1865. Beginning 2009-2010, Wright Charter School expanded its services to include a Middle School that serves students in Grades 7 & 8. We are very proud to offer a small school environment for grades TK-8.

Wright Charter School serves approximately 460 students who represent a diverse population. Approximately seventy-three percent of Wright School's students participate in the Federal Government's Free and Reduced Lunch Program. Forty-two percent of our students are English Language Learners. The majority of our second-language learners speak Spanish as their primary language.

Wright Charter School proudly offers a range of services to meet the diverse learning needs of our students. Our classes include eighteen regular education classes, a middle school learning lab, a Resource Specialized Program, music, garden, and library classes. In addition, we offer students Speech and Language services, English Language Learner services, Title 1 Reading services, tutoring services and counseling. We have a brand-new multipurpose room, which is used for assemblies, school events, sports, music, and as a cafeteria for breakfast and lunch. Our students are fortunate to have meals prepared for them on site in our school kitchen by experienced school food service employees. We fondly refer to our cafeteria as the "Cougar Café."

Through a partnership with CalServes, our school also offers students an after-school program in which about one-hundred-fifty students participate in enrichment activities and receive help with homework and reading practice. The Extended Child Care (ECC) Coalition provides before and after school care for students.

Mission and Vision Statement

The Wright Charter School is founded on the principles of Ecological literacy: the understanding that every living system is related to and affected by every other living system.

Ecoliteracy promotes the development of social, emotional and ecological intelligence through an ever-evolving understanding of the relationship between and among all living systems.

Our mission is to foster in our students the desire and capacity to live and contribute responsibly in society and to envision and achieve their goals, both in their own lives and as stewards of the planet. Our students will be educated to meet or exceed grade level expectations and mastery of core academic standards. Our students will develop an understanding of their responsibilities as global citizens and be educated to be contributing members of a larger society. We strive to identify, nurture and support the unique capabilities of every student.

Our vision is to create an environment that encourages every child to work to his or her potential, that builds basic skills, that kindles and nourishes curiosity, that teaches problem solving, that encourages children to love learning, and that inspires both teachers and children to pursue academic challenges.

Wright Charter School provides opportunities for children to develop personal and civic responsibility, self-discipline, necessary life skills for continuous education and economic independence, and a positive code of ethics supported by the community at large. We respect each individual, honor differences, and we strive to strengthen the community by educating its children and engaging families in the educational process.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

In order to ensure that core instructional materials support the Common Core State Standards, the district recently adopted the use of the open source mathematics program, Engage New York. Beginning with the 2016-17 School Year, the District also adopted a new ELA/ELD Program from the list of State approved programs, Benchmark Advance. Grade level committees have been formed and meet monthly, facilitated by the Director of Curriculum and Instruction, to support teachers in the implementation of the programs, to identify areas of strength and challenge and to ensure that State and Local assessments are aligned with curriculum and instruction.

School Facility Conditions and Planned Improvements (Most Recent Year)

Wright School was built in 1950. Twelve portable classrooms were added incrementally in the seventies and eighties. Wright has twenty-seven classroom spaces, twenty-one of which are used for classes. In 2016 we inaugurated our new multipurpose room, and cafeteria. Our facility also includes a library, and rooms for other educational activities such as the English Language Development program, instrumental music program, counseling program, Title 1 services, Speech and Language services, School Psychologist, School Nurse, and Before/After School programs. A large field area used for soccer, kickball, softball, a running track and there is an average sized blacktop area. In 2015 a large jungle gym, and play structure were added, cushioned with sawdust. A separate, smaller kindergarten yard also contains a jungle gym cushioned with sawdust, a sandbox and a blacktop suitable for tricycles.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed. A work order process is used to ensure efficient service and to ensure that emergency repairs are given highest priority. Two custodians clean and maintain the school. Classrooms are vacuumed twice a week and all bathrooms are cleaned daily.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior painting, and floor systems.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

There are many ways that Wright Charter School encourages and provides opportunities for parent involvement. As part of the charter school's focus on community involvement, we encourage parents to donate ten hours of volunteer time per school year. Many of our parents donate significantly more hours than the minimum suggestion.

Parents can volunteer to be part of the Parent-Teacher Club (PTC) that promotes and enriches the welfare and educational experiences of the children at Wright Charter School and creates a closer relationship between home and school.

Parents are encouraged to run for election to the School Site Council (SCC), which meets periodically through the school year. Parents on the council become informed, share information, discuss needs and successes, and plan school program improvements. The council develops a comprehensive plan designed to improve the effectiveness of the school and assists in making budgetary decisions that allocate resources toward meeting the goals for academic improvement. All parents are invited to attend the meetings.

Parents of students who are learning English as their second language are encouraged to join the schools English Language Advisory Council (ELAC). This is a parent facilitated organization that meets several times each year to ascertain the needs and interests of the English Learner students and their families and to address them through advocacy, presentations, projects, events and links to services and programs in the greater community.

Teachers are pleased to have parent volunteers in the classroom. Other volunteer opportunities exist in the library, chaperoning field trips, and sporting events, our school and PTC events.

Environmental stewardship and global responsibility open up new opportunities for parent involvement, which include gardening and environmental projects. We also encourage parents, guardians and community members to share their expertise in the classroom. This can include event planning, translating, classroom presentations, and clerical tasks.

The District has several committees that encourage and include parent participation. The District English Language Advisory Committee (DELAC), comprised of parent representatives from each school's English Language Advisory Council, meets four times a year to become informed and share information about the English Language Development Program. Information about community services, including adult English language classes, are offered to our District parents.

All parents are invited to participate in Back to School Night, Literacy Night, and twice-yearly Parent-Teacher Conferences. In addition, we hold yearly celebrations for the school community including winter and spring music concerts, Pancake Breakfast, Spaghetti Dinner, and Open House.

Please contact the school principal at (707) 542-0556 for more information on ways to volunteer at school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Wright Charter School maintains a comprehensive school safety plan. The safety plan is updated annually and was updated this March 2019. The plan includes disaster preparedness, emergency protocols, and a host of policies and procedures designed to keep our school, students, and staff safe. All employees attend (or take online) annual mandatory trainings on a variety of first aid and safety topics including: blood borne pathogens, safety in the workplace, and disaster preparedness. The Wright Charter School Safety Plan is available on the District website and in the school office for review.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Types of Services Funded

Wright School District is committed to providing an excellent supportive education that meets the needs of our students. In order to meet this commitment, funds are allocated to Wright Charter School for the following services: English Language Development Teacher and English Language Development Instructional Assistant, School Psychologist, Title 1 and Intervention Teacher, Library Manager, Special Education Director, Student Support Instructional Assistants, Full Inclusion Aides, Special Education Teachers, School Nurse, Instructional Assistants, Speech and Language Therapist, Music Teacher, Counselor, Intervention services provided by teachers and a PE Specialist.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
