2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Wright Charter School (WCS) is the original of three K-6 elementary schools in the Wright Elementary School District. WCS was founded in 1865. Beginning 2009-2010, Wright Charter School expanded its services to include a Middle School that serves students in Grades 7 & 8. We are very proud to offer a small school environment for grades TK-8.

Wright Charter School serves approximately 410 students who represent a diverse population. Approximately seventy-three percent of Wright School's students participate in the Federal Government's Free and Reduced Lunch Program. Thirty-six percent of our students are English Language Learners. The majority of our second-language learners speak Spanish as their primary language.

Wright Charter School proudly offers a range of services to meet our students' diverse learning needs. Our program includes nineteen general education classes, a middle school learning lab, a Resource Specialist Program, music, art, peer counseling, and library classes. In addition, we offer students Speech and Language services, English Language Learner services, Title 1 Reading services, tutoring services and counseling. We have a new multipurpose room available for assemblies, school events, sports, music, and as a cafeteria for breakfast and lunch. Our students are fortunate to have meals prepared for them on site in our school kitchen by experienced school food service employees. We fondly refer to our cafeteria as the "Cougar Café."

Through a partnership with CalServes, our school also offers students an after-school program in which about one-hundred-fifty students participate in enrichment activities and receive help with homework and reading practice. The Extended Child Care (ECC) Coalition provides before and after school care for students.

Mission and Vision Statement

Our mission is to foster in our students the desire and capacity to live and contribute responsibly in society and to envision and achieve their goals, both in their own lives and as stewards of the planet. Our students will be educated to meet or exceed grade level expectations and mastery of core academic standards. Our students will develop an understanding of their responsibilities as global citizens and be educated to be contributing members of a larger society. We strive to identify, nurture and support the unique capabilities of every student.

Our vision is to create an environment that encourages every child to work to his or her potential, that builds basic skills, that kindles and nourishes curiosity, that teaches problem solving, that encourages children to love learning, and that inspires both teachers and children to pursue academic challenges.

Wright Charter School provides opportunities for children to develop personal and civic responsibility, self-discipline, necessary life skills for continuous education and economic independence, and a positive code of ethics supported by the community at large. We respect each individual, honor differences, and we strive to strengthen the community by educating its children and engaging families in the educational process.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	25
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

In order to ensure that core instructional materials support the Common Core State Standards, the district recently adopted the McGraw-Hill My Math program. Beginning with the 2016-17 School Year, the District also adopted a new ELA/ELD Program from the list of State approved programs, Benchmark Advance. Grade level committees have been formed and meet monthly, facilitated by the Director of Curriculum and Instruction, to support teachers in the implementation of the programs, to identify areas of strength and challenge and to ensure that State and Local assessments are aligned with curriculum and instruction.

School Facility Conditions and Planned Improvements

Wright School was built in 1950. Twelve portable classrooms were added incrementally in the seventies and eighties. Wright has twenty-seven classroom spaces, twenty-one of which are used for classes. In 2016 we inaugurated our new multipurpose room, and cafeteria. Our facility also includes a library, and rooms for other educational activities such as the English Language Development program, instrumental music program, counseling program, Title 1 services, Speech and Language services, School Psychologist, School Nurse, and Before/After School programs. A large field area used for soccer, kickball, softball, a running track and there is an average sized blacktop area. In 2015 a large play structure was added, cushioned with bark. A separate, smaller kindergarten yard also contains play structures cushioned with bark, and a blacktop suitable for tricycles.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed. A work order process is used to ensure efficient service and to ensure that emergency repairs are given highest priority. Two custodians clean and maintain the school. Classrooms are vacuumed twice a week and all bathrooms are cleaned daily.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are many ways that Wright Charter School encourages and provides opportunities for parent involvement. As part of the charter school's focus on community involvement, we encourage parents to donate ten hours of volunteer time per school year. Many of our parents donate significantly more hours than the minimum suggestion. Teachers are pleased to have parent volunteers in the classroom. We also encourage parents, guardians and community members to share their expertise in the classroom. This can include event planning, translating, classroom presentations, and clerical tasks. Other volunteer opportunities exist in the library, chaperoning field trips, sporting events, and other school events. All parents are invited to participate in Back to School Night, Literacy Night, and twice-yearly Parent-Teacher Conferences. In addition, we hold yearly celebrations for the school community including winter and spring music concerts, Pancake Breakfast, Spaghetti Dinner, and Open House.

Parents also have more formally structured ways to participate in the school community. Parents can volunteer to be part of the Parent-Teacher Club (PTC) that promotes and enriches the welfare and educational experiences of the children at Wright Charter School and creates a closer relationship between home and school. Parents of students who are learning English as their second language are encouraged to join the school's English Language Advisory Council (ELAC). This is a parent facilitated organization that meets several times each year to ascertain the needs and interests of the English Learner students and their families and to address them through advocacy, presentations, projects, events and links to services and programs in the greater community. All parents are encouraged to run for election to the School Site Council (SCC), which meets periodically through the school year. Parents on the council become informed, share information, discuss needs and successes, and plan school program improvements. The council develops a comprehensive plan designed to improve the effectiveness of the school and assists in making budgetary decisions that allocate resources toward meeting the goals for academic improvement. All parents are invited to attend the meetings.

The District has several committees that encourage and include parent participation. The District English Language Advisory Committee (DELAC), comprised of parent representatives from each school's English Language Advisory Council, meets four times a year to become informed and share information about the English Language Development Program. Information about community services, including adult English language classes, are offered to our District parents.

2021-22 Opportunities for Parental Involvement

Please contact the school principal at (707) 542-0556 for more information about ways to become involved at school.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Wright Charter School maintains a comprehensive school safety plan. The safety plan is updated annually and was updated March 2022. The plan includes disaster preparedness, emergency protocols, and a host of policies and procedures designed to keep our school, students, and staff safe. All employees attend (or take online) annual mandatory trainings on a variety of first aid and safety topics including: blood borne pathogens, safety in the workplace, and disaster preparedness. The Wright Charter School Safety Plan is available on the District website and in the school office for review.
