8.15 Family Medical Leave

8.15.1 Each unit member who has been employed by the District for more than one continuous year is eligible for an unpaid Family Medical Leave not to exceed twelve (12) weeks within a twelve (12) month period, unless a longer leave is agreed upon by the District and the unit member.

The unit member's absence under this program shall not be considered a break in service.

8.15.4 The unit member must provide the District with at least thirty (30) days advance notice for the leave if the need is foreseeable, or if such notice is not foreseeable, notice must be given as soon as practicable under the circumstances.

8.15.5 This section is not intended to abridge any other leave specified in this Article.

DISCIPLINARY ACTION PROCEDURES

12.1 Probationary Period

12.1.1 Classified unit members shall serve a period of probation which shall be twelve (12) months in duration.

12.1.2 During the probationary period, a classified unit member may be released without cause.

12.2 Permanent Classified Unit Members - Discipline & Dismissal

12.2.1 A permanent employee is one who has completed an initial probationary period of twelve (12) months beyond the initial date of employment by the District and is referred to in this procedure as a "unit member". Discipline shall be imposed on a permanent member of the classified bargaining unit only for just cause and pursuant to this Article and pertinent law(s). No disciplinary action shall be taken for any cause which arose more than two (2) years preceding the date of the filing of the notice of cause unless such cause was concealed or not disclosed by such unit member when it could be reasonably assumed that the unit member should have disclosed the facts to the employing District.

12.2.2 Whenever possible, disciplinary action will be taken only after the unit member has been counseled by his/her immediate supervisor and/or Superintendent regarding unsatisfactory actions or lack of action.

12.2.3 Prior to the Superintendent recommending disciplinary action against a unit member the unit member may request a conference with the Superintendent to discuss the charges.

12.3 Progressive Discipline

12.3.1 Progressive Discipline is a series of fair, consistent and timely corrective steps to improve employee performance through direct, honest and constructive communication. Discipline will be consistent with the California Education Code. A "day" is a workday when the District Office is open for business.

12.3.2 Goal of Progressive Discipline. Generally, discipline will follow a progressive approach, which attempts to correct the employee's less than satisfactory performance at the lowest most effective level. The District and CSEA recognize that there are some situations where progressive discipline and severe discipline are warranted. When conducive, based upon the nature of the offense, the steps delineated below will be followed.

12.3.3 Progressive Discipline Steps

12.3.3.1 Verbal Counseling / Warning

Verbal counseling shall be done within ten (10) working days of the supervisor having knowledge of the occurrence of the alleged infraction or completion of an investigation thereof. The supervisor shall complete a written conference summary outlining the verbal warning, in addition to the steps for improvement. The employee shall be provided with a copy of such documentation. Conference summaries shall not be placed in the employee's personal file except as an attachment to a written reprimand as documentation of progressive discipline.

12.3.3.2 Written Reprimand

A letter of reprimand shall be given within ten (10) working days of the supervisor's knowledge of the occurrence of the alleged infraction or completion of an investigation

thereof. Letters of reprimand shall include the specific cause for action and the policies, rules and regulations alleged to have been violated. Letters of reprimand shall include a plan for improvement and consequences for continued infractions. The bargaining unit member shall sign the reprimand to acknowledge receipt only. Letters of reprimand will be placed in the employee's, personal file ten (10) days from the receipt. The employee may prepare a written response, and if requested, such response shall be attached to the letter of reprimand and placed in the employee's file.

12.3.3.3 Suspension, Demotion, or Termination

Infractions that warrant disciplinary action beyond a written Reprimand include, but are not limited to, suspension without pay, demotion, and termination. Such discipline will be completed in accordance with the discipline procedures set forth herein and the California Education Code. Layoffs, reduction in assigned time in lieu of layoff, Voluntary demotions and bumping are not considered "discipline". No disciplinary action shall be taken for any cause which arose more than two years preceding the date of the filing of this notice of proposed disciplinary action unless such cause was concealed by such employee or the District could not reasonably have known such cause.

12.4 Types of Disciplinary Action

- 12.4.1 Demotion: A unit member may be demoted to a lower salary classification for cause and in accordance with this procedure.

- 12.4.4 Involuntary Transfer: A unit member may be reassigned without the unit member's voluntary consent as a disciplinary action in accordance with this procedure.

12.5 In Writing

Since disciplinary action is a very serious matter, cause shall be determined to exist if evidence has been submitted in writing to the unit member and the unit member's supervisor. Unsubstantiated hearsay or verbal complaints shall not be considered as evidence of cause.
