Priorities for Hiring Based on Unavailability of Credentialed Teacher

The Superintendent or designee shall make reasonable efforts to recruit a fully prepared teacher who is authorized in the subject or setting for each assignment or, when necessary, a fully prepared teacher serving on a local assignment option. Whenever a teacher with a clear or preliminary credential is not available, the Superintendent or designee shall make reasonable efforts to recruit an individual for the assignment in the following order: (Education Code 44225.7)

1. A candidate who is qualified to participate in and enrolls in an approved intern program in the region of the district;
2. A candidate who is scheduled to complete preliminary credential requirements within six months and who is granted a provisional internship permit (PIP) or short-term staff permit issued by the CTC; and

The Board shall approve, as an action item at a public Board meeting, a notice of its intent to employ a PIP applicant for a specific position. (5 CCR 80021.1).

CERTIFICATION (continued)

3. An individual who has been granted a credential waiver has been granted by the CTC.

Prior to requesting that the CTC issue an emergency permit or a limited assignment permit, or a limited assignment permit, the Board shall annually approve a Declaration of Need for Fully Qualified Educators. The Declaration of Need shall be approved by the Board as an action item at a regularly scheduled open Board meeting, with the entire Declaration of Need being included in the Board agenda. (Education Code 44225, 44225.7; 5 CCR 80023.2, 80026, 80027, 80027.1)

The Declaration of Need shall also indicate the number and type of emergency permits that the district estimates it will need during the valid period of the Declaration of Need, based on the previous year's actual needs and projections of enrollment. Whenever the actual number of permits needed exceeds the estimate by 10 percent, the Board shall revise and resubmit the Declaration of Need. (5 CCR 80026)

The Superintendent or designee may coordinate a cohort of teachers through school or district programs or other available networks.

With Board approval and funding, and consistent with the collective bargaining agreement and applicable law, the Superintendent may provide an incentive program for teacher participation in NBPTS certification, which may include:

1. Defraying, subsidizing, or reimbursing the registration, certification, or maintenance fees for NBPTS certification;
2. Providing bonuses, step increases, or differential pay for teachers who maintain their certification and continue to teach in the district, with priority given to teachers at Title I schools and schools serving a majority of low-income students;
3. Providing substitute teachers to provide release time for participating teachers;

1. Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived; and
3. Is teaching in the field of discipline of the teacher's certification.

(cf. 5145.6 - Parental Notifications)

In addition, the Superintendent or designee shall notify parents/guardians in a timely manner whenever their child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area to which the teacher has been assigned.
