

INTERDISTRICT ATTENDANCE

Interdistrict Attendance Permits

In accordance with an agreement between the Board of Trustees and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)

(cf. 5131.2 - Bullying)

2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.
3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.

(cf. 6159 - Individualized Education Program)

4. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.
5. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.
6. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.
7. When the parent/guardian provides written evidence that the family will be moving to the district in the immediate future and would like the student to start the year in the district
8. When a student will be living out of the district only for one year or less

INTERDISTRICT ATTENDANCE (continued)

9. When recommended by the school attendance review board or by county child welfare, probation or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence
10. When there is valid interest in a particular educational program not offered in the district of residence
11. To provide a change in school environment for reasons of personal and social adjustment

(cf. 5113.1 - Chronic Absence and Truancy)

Every interdistrict attendance permit shall stipulate the terms and conditions under which the permit may be revoked. (Education Code 46600)

The Superintendent or designee may deny initial requests for interdistrict attendance agreements if the school's facilities are overcrowded at the relevant grade level, and based on *or* other considerations that are not arbitrary. However, once a student is admitted based on child care needs, his/her continued attendance may not be denied because of overcrowding so long as the student continues to require child care needs in the district and continues to meet the behavior, academic and attendance requirements of the District. Additionally, the interdistrict agreement may be revoked should the student require special programs deemed impacted by the district, or if the child does not meet the behavior, academic and attendance regulations of the district.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

INTERDISTRICT ATTENDANCE (continued)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. (Education Code 46600)

Transportation

The district shall not provide transportation outside the school's attendance area. However, upon request, the Superintendent or designee may authorize transportation for students living outside the attendance area to and from designated bus stops within the attendance area if space is available. Priority for such transportation shall be based on demonstrated financial need.
