

INTERDISTRICT ATTENDANCE

The Board of Trustees recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

(cf. 0520.3 - Title I Program Improvement Districts)
(cf. 5111.12 - Residency Based on Parent/Guardian Employment)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5118 - Open Enrollment Act Transfers)

A student's interdistrict agreement may be denied or revoked for noncompliance with the academic, behavior, and/or attendance policy requirements of the district. Additionally, the interdistrict agreement may be denied or revoked should the student require special programs deemed impacted by the district.

Students may be subject to displacement due to excessive program and/or grade level enrollment. Should this occur, the last student placed shall return to his/her attendance area.

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

Transportation

The district shall not provide transportation beyond any school attendance area. Upon request, the Superintendent or designee may authorize transportation for interdistrict transfer students to and from designated bus stops within the attendance area if space is available.
