Parent/Guardian,

We are excited to provide parents a convenient and secure online payment service called **mySchoolBucks**. This website allows you to deposit money directly, if applicable, into your child's school meal account. You can also view your child's balance and purchase information for the past ninety days. This online service is only for cafeteria payments.

If you choose not to take advantage of the online payment service you may continue to make payments in the school office. Please make your checks out to **Wright Elementary School District** and include your child's name on your check. If paying cash, please put your child's name on the envelope.
