Stakeholders (including educators, parents, students, local bargaining units, and community members) will have an opportunity to offer feedback on the **Learning Continuity and Attendance Plan**, a key part of the overall budget package for K-12 that seeks to address funding stability for schools while providing information at the district level for how student learning continuity will be addressed in light of the COVID-19 crisis in the 2020-21 school year. The provisions for the plan were approved by the Governor and Legislature in June in SB98 and can be found in EC Section 43509.
