Hello Wright Elementary Families,

Recently you received an email indicating that a parent portal account had been created for you. This email is to remind you that we are eliminating the paper First Day packet and using an electronic format this year which requires parent portal access.

Your parent portal account needs to be linked to your student(s) so that you have the ability to update your child/children's information within Aeries and to provide changed or new emergency contact data.

The prior email contains all the relevant information that you need to activate your portal account and link your students.

Parent Portal accounts will give you immediate real-time access to your student's attendance, grades, and the ability to email teachers.

Updating your student information is required and is a safety concern in the event of an emergency.

Please go to the portal, enter your email address, and click forgot password.

<https://wrightesd.asp.aeries.net/Student/LoginParent.aspx>

Thank you for your help in making this a successful school year.

Sincerely,

Lisa Saxon
Superintendent
