MyCVT is a web-based site where you can enroll as a member of California's Valued Trust (CVT), choose a plan from several options that have been selected by your district or unit, and make changes to your plan such as adding dependents or a change of address.

Before you can enroll online, you must first create your account.

Getting started

1. To access the site directly from your browser, type: mycvt.cvtrust.org.

When the document has been successfully uploaded, that document section will appear as green.
3. If you do not have the documents available at that time, you can login at a later time to upload them. There will be a count of documents required in the submitted enrollment section when you login.
4. You can print your enrollment form for your records by clicking the “Print your enrollment” button located on the bottom portion of the page.
5. Your submitted application and documents will be reviewed by your district and then submitted to CVT for review and approval.

What are my Delta Dental Network options?

The Delta Dental PPO plan allows you the option to visit any licensed dentist. You will usually save more on your out-of-pocket costs when you visit a **Delta Dental PPO** dentist. The **Delta Dental Premier** network also provides cost-saving features and is the next best option when you can't find a PPO dentist. Non-Delta Dental (Out of Network) dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit a non-Delta Dental dentist. You are responsible for the difference between what Delta Dental pays and the dentist's fee.

How do I find a Delta Dental dentist?

To locate a Delta Dental dentist near you, check the dentist directory on the Delta Dental website (**deltadentalins.com**), which also provides a map to the dental office. Or, to hear or receive a faxed listing of dentists in your area, call **866-499-3001**. Follow the automated instructions to search for a dentist.

How does my Delta Dental incentive plan work?

Your dental benefit incentive plan is designed to encourage regular visits to the dentist to keep your teeth and gums healthy. Here is an example of how an incentive plan works. (This is the most common incentive plan. Check your benefits information for details of your particular incentive plan.)

First Year 70%	Second Year 80%	Third Year 90%	Fourth Year 100%
Percentage paid for certain benefits as long as you visit the dentist each year.
