### **School Description**

Opened in 1994, Robert L. Stevens School was designed in a process of collaboration with the community it serves. Both the school's architecture and its educational focus are built from a strong center. Displays of student writing, artwork and learning projects welcome the visitor, dignify the learning that takes place and reflect the mission and vision of our unique school. Stevens has been honored as both a California Distinguished School and a Title One Achievement School for our continued student achievement and the excellent climate for learning that our school community provides.

Our school serves approximately 520 Transitional Kindergarten through sixth grade students. We are proud of our well-trained and highly experienced staff. They are exceptionally creative, embrace change, and welcome the challenge of creating a cohesive school community based on collaboration and respect. They desire to forge a learning environment where students' needs come first and students' unique cultural backgrounds are celebrated. Our credentialed staff includes a total of twenty-two classroom teachers, two Resource Specialist Teachers, an English Language Development Teacher, a Title One Reading specialist and a Principal. The following personnel provide support: an Office Manager, an Office Assistant, a Bilingual Community Liaison, a Library Manager, two Custodians, a Special Education Instructional Assistant, an English Language Development Instructional Assistant, a part-time school nurse, a credentialed counselor and thirteen classroom Instructional Assistants. Robert L. Stevens School hosts a before and after school daycare program, an English Language Development Program, a Title I Reading/Language Arts Program, an AmeriCorps tutoring and after-school program in conjunction with CalSERVES and a United Way Schools of Hope Reading Assistance Program in first and second grade. We also have an active PTC (Parent Teacher Club), a School Site Council and an English Language Advisory Council.

### **Mission and Vision Statement**

The mission of R. L. Stevens School is to prepare children academically and socially to function responsibly in society and to envision and achieve their goals in life. Our vision is to create an environment which encourages every child to work to his or her potential, one which builds basic skills, kindles and nourishes curiosity, teaches problem-solving, encourages children to love learning, and inspires both teachers and children. R.L. Stevens School provides opportunities for children to develop personal and civic responsibility, self-discipline, necessary life skills for economic independence, and a positive code of ethics supported by the community at large. We respect each individual, honor differences, and we strive to strengthen the community by educating its children and engaging families in the educational process. The high academic standards we hold for our students are reflected in our focus on the California State and National Common Core Content Standards.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Benchmark Advance Reading program and the Engage New York/Eureka Math program were adopted within the last two years and are the most current available. There are sufficient copies of all textbooks and instructional materials for all students. Both the reading and math programs are supplemented with a variety of materials according to teacher discretion based on identified need.

#### Textbooks and Instructional Materials

Year and month in which data were collected: October 2016

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	K-6: Benchmark Advance, 2016 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	K-5 My Math, 6 California Math, 2019 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

Note: Cells with N/A values do not require data.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Two full-time custodians serve the school from early morning until evening. The custodians keep the buildings and grounds clean and free of litter and graffiti. Garbage is emptied daily and the floors are vacuumed regularly. Additionally, three district maintenance workers ensure the school facilities are in good repair and safe for students and staff. Procedures are in place to report and take care of any safety concerns as they arise. The district participates in the state School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. In the 2005-06 school year, a modular building was installed, with three classroom spaces and a storage closet. Also, an updated air-conditioning/heating unit was installed in 2005-2006. In 2013 a solar array was built over the front parking lot to provide power for the school. Portable air purifiers are being purchased for each classroom.

#### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	60	N/A	55	N/A	50	N/A
Math	46	N/A	37	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

There are many ways that R. L. Stevens School encourages and provides opportunities for parent involvement. There is an active Parent-Teacher Club (PTC) the purpose of which is to promote and enrich the welfare and educational experiences of the children at Stevens School, and to bring into closer relationship the home and the school. The PTC meets monthly.

An English Learner Advisory Council, comprised of parents of students working to attain proficiency in English, meets monthly to discuss issues affecting English Language Learners' school success.

Parents are encouraged to run for election to the School Site Council, which meets quarterly. Parents on the council become informed, share information, discuss needs and successes, and plan school program improvements. The council develops a comprehensive plan designed to improve the effectiveness of the school, helps review and update the School Safety Plan and assists in making budgetary decisions of funds within its purview. All parents are invited to attend the quarterly meetings.

Teachers are pleased to have parent volunteers in the classroom. Other volunteer opportunities exist including helping in the library, chaperoning field trips and helping at all of our school and PTC sponsored events.

The District has several committees that encourage and include parent participation. The District English Learners Advisory Committee, comprised of parents representative from each school's English Learners Advisory Councils meets three times a year to become informed and share information about the English Language Development Program. The district is in the process of transitioning to a Parent LCAP Advisory Committee where parent representatives will advise the Superintendent in areas of curriculum and instruction, student support, school climate, safety and governance.

A Family Fun Reading and Math Night is organized each year by the AmericaCorps/CalSERVES Staff. At this always well attended event, families participate in a variety of reading and math related activities presented by teachers, throughout the evening. Parents and students play games, explore ways to learn together and sign up for library cards. Each student receives at least one new free book as well as math manipulatives.

All parents are invited to participate in a Back to School Barbecue, Back to School Night, and twice yearly Parent Conferences. In addition, we hold yearly celebrations for the school community including Concerts, Career Day, Culture Day, a Walk-a-Thon, a Pasta Dinner, and an Open House.

Please contact the school principal, Lori Pola Hoard at (707) 575-8883 ex. 352 for more information about ways to volunteer at school.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Wright School District maintains a comprehensive school safety plan that is updated annually. The Safety Plan was last discussed with staff, updated, and approved by Site Council in February, 2020. The plan includes disaster preparedness, emergency protocols, and a host of policies and procedures designed to keep our school, students, and staff safe. All employees attend annual mandatory training on a variety of first aid and safety topics including: blood borne pathogens, anaphylactic shock, CPR, first aid, hazardous materials, safety in the workplace, and disaster preparedness. The Wright School District Safety Plan is available in the school office for review.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.2	2.1	1.6	1.9	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.02	1.8	2.5
Expulsions	0.0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Types of Services Funded**

The Wright Elementary School District is committed to providing an excellent, comprehensive education that meets the needs of our students. Because of that commitment, both District general funds and State and Federal categorical funds are used for the following supplemental services: District E.L.D. Resource Teacher, E.L.D. Instructional Assistants at the school sites, a School Psychologist/behaviorist, Reading Intervention personnel, Library Managers, Special Education Teachers, Special Education Assistants, Full Inclusion and Behavioral Assistants, School Nurse, classroom Instructional Assistants, Yard Duty Supervisors, Speech and Language Therapists, Music Teachers, Counselors, and a Bilingual Community Liaison.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
