### School Description

School Description:

J.X. Wilson School is one of three elementary schools in the Wright Elementary School District, located in Santa Rosa, California. It first opened its doors in the spring of 1976, and it currently serves approximately 530 students in grades TK through 6. The neighborhood surrounding the school is largely suburban, with a mix of single-family houses, condominiums, apartments and mobile home complexes.

In 2008 J.X. Wilson School received the honor of being named an N.C.L.B. National Blue Ribbon School for its dramatic improvement in students' STAR test scores, and for its overall high level of academic achievement. Additionally, in 2010 J.X. Wilson School became a California Distinguished School. We are very proud of our experienced and dedicated staff, our hard-working students, our strong parent support base, and these recent awards recognizing the excellent academic achievement of our students. As a staff, we hold high standards for all students, both academically and behaviorally, and teachers work together collaboratively and creatively to provide a rich, challenging educational program that addresses our diverse range of student strengths and needs. School-wide, we focus on creating a positive, mutually respectful teaching and learning environment by consistently striving to cultivate a "caring and considerate community" that engages and supports all of its members.

Our credentialed staff includes General Education Classroom Teachers, Special Education Teachers, a Reading Teacher, an English Language Development (ELD) Teacher, a Speech and Language Specialist, a School Counselor, an Educational Psychologist, Music Teachers, a Physical Education Teacher, and a Principal. Support personnel include an Office Manager, an Office Assistant, a Cafe Office Assistant, a Library Manager, a Bilingual Community Liaison, Custodians, an ELD Instructional Assistant, a Reading Intervention Program Assistant, Special Education Instructional Assistants, Classroom Instructional Assistants, a Cook, an Assistant Cook, and Crossing Guards. J.X. Wilson School hosts a before and after-school daycare program, a before and after-school Boys and Girls Club, Pasitos (Preschool Playgroup), Head Start, the Wright Elementary School District Special Education Preschool, and a Sonoma County Office of Education Special Education Primary Class. J.X. Wilson School provides English Language Development and Reading Intervention Programs for students in need of this academic support. We value parents as partners in the educational process and have an active (Parent-Teacher) Booster Club, School Site Council, and an English Language Advisory Committee.

### Mission and Vision Statement

The mission of J. X. Wilson School is to prepare children academically and socially to function responsibly in society and to envision and achieve their goals in life.

Our vision is to create an environment which encourages every child to work to his or her potential, one which builds basic skills, kindles and nourishes curiosity, teaches problem-solving, encourages children to love learning, and inspires both teachers and children. J. X. Wilson School provides opportunities for children to develop personal and civic responsibility, self-discipline, necessary life skills for economic independence, and a positive code of ethics supported by the community at large. We respect each individual, honor differences, and we strive to strengthen the community by educating its children and engaging families in the educational process. The high academic standards we hold for our students are reflected in our focus on the Common Core State Standards.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

J.X. Wilson School first opened in 1976, and it has been expanded with the addition of portable classrooms several times in the past 40 years. Two full-time custodians serve the school from early morning until evening. The custodians keep the buildings and grounds clean and free of litter and graffiti. Additionally, district maintenance workers ensure that the school facilities are in good repair and are safe for students and staff. Procedures are in place to report and take care of any safety concerns as they arise.

School kitchen workers have been awarded the "Recognition of Excellence in Food Safety" by the Environmental Health Division of the county Department of Health Services for their consistent use of safe food-handling practices and sanitation.

The district participates in the state's deferred maintenance program, which provides state matching funds on a dollar for dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and flooring. A new fire alarm system was installed in 2007.

J.X. Wilson qualified for modernization funding from the state in the summer of 2008, and all of the original buildings were modernized and brought up to current standards. Solar arrays were installed in the summer of 2013.

In the summer of 2016 the school was repainted. During the recent school year, the tables and benches in the lunchroom were updated and repaired. Through the Center For Well Being, a grant from the local Active 20/30 Club provided funds to add a "Gym-in-nee" to the playground. The building that houses the teacher lunchroom, teacher workroom and student work areas is scheduled to be replaced in the summer of 2017. The floors in rooms 13 and 14 are scheduled to be repaired in the summer of 2017.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Socioeconomically Disadvantaged	48	48	100.0	70.8
English Learners	20	20	100.0	55.0

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	4	11	11	100.0	54.5
	6	13	13	100.0	7.7

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

There are many ways that J.X. Wilson School encourages and provides opportunities for parent involvement. There is an active Booster Club which meets monthly, the purpose of which is to promote and enrich the welfare and educational experiences of the children at J.X. Wilson School and to reinforce the home and school connection.

Parents are encouraged to join the School Site Council. Parents on the council become informed, share information, discuss needs and successes, and plan school program improvements. All parents are invited to attend the meetings.

Teachers are pleased to have parent volunteers in the classroom. Parents are also invited to become involved by volunteering in the library, chaperoning on field trips, helping with sports and performance events, and by participating in all of our school and Booster Club-sponsored events. The school honors all volunteers at a Volunteer Tea in the spring.

The District has several committees that encourage and include parent participation. The English Language Advisory Committee and the District English Language Advisory Committee, comprised of parents of English Language Learners, meet four times a year to become informed and share information about the English Language Development Program.

All parents are invited and encouraged to attend Back to School Night and the twice- yearly Parent Conferences. In addition, we hold yearly celebrations for the school community including a Spring Concert, Pancake Breakfast, and Open House.

Please contact the school principal, Corina Rice at (707) 525-8350 for more information on ways to volunteer at school.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

J.X. Wilson School maintains a comprehensive school safety plan that is updated annually. The Safety Plan was last updated, discussed with staff, and approved by the Governing Board in 2016. The plan includes disaster preparedness, emergency protocols, and a host of policies and procedures designed to keep our school, students, and staff safe. All employees attend trainings on a variety of first aid and safety topics such as blood borne pathogens, anaphylactic shock, CPR, first aid, hazardous communication, safety in the workplace, and disaster preparedness. The J.X. Wilson School Safety Plan is available in the school office for review.

### Types of Services Funded

The Wright Elementary School District is committed to providing an excellent, comprehensive education that meets the needs of our students. Because of that commitment, both District general funds and LCFF funds are used for the following supplemental services: ELD Resource Teacher, ELD Instructional Assistant, a School Psychologist, a Behavior Specialist, Reading Intervention Teacher, Reading Intervention Instructional Assistant, Library Manager, Special Education Teachers, Special Education Assistants, Full Inclusion and Student Support Instructional Assistants, School Nurse, Instructional Assistants, Speech and Language Specialist, Music Teachers, Physical Education Teacher, Counseling Interns, and Bilingual Community Liaisons.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
